The temperature has been increasingly lately, but it's not time to relax just yet. Due to the effect of Siberia's high atmospheric pressure, the temperature will start to decrease today in the afternoon. Please make sure you prepare for this drastic drops in temperature..

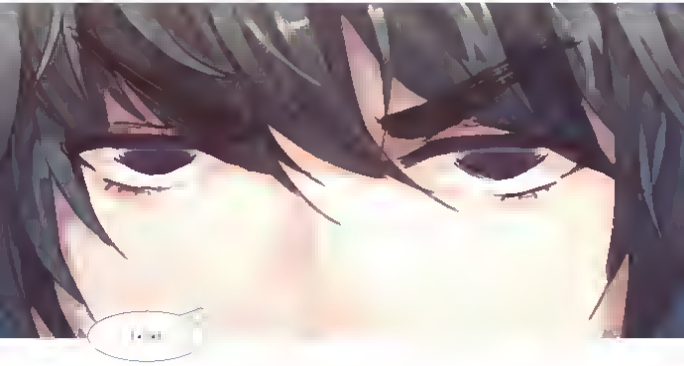
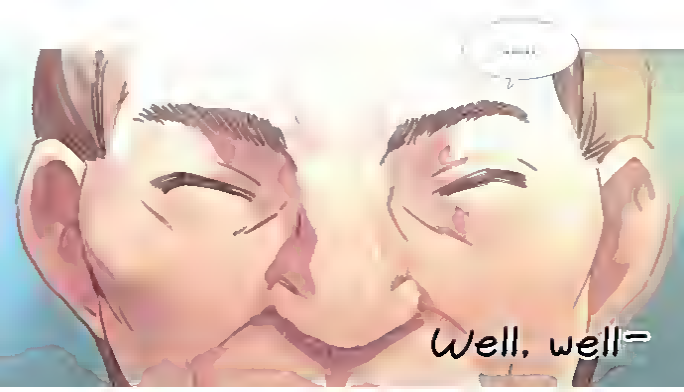
Chapter 12

Sign President's Office





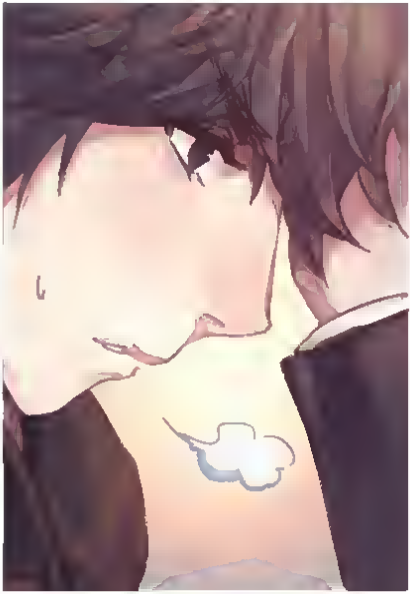
Well, well—

Nice to meet you, young man!
It seems our company's been doing great lately, judging from all these visits by students like you.
Feel free to ask me about anything.
.....
That's...
Hmm?
Puuu—
.....

.....
How did you come to start this business?

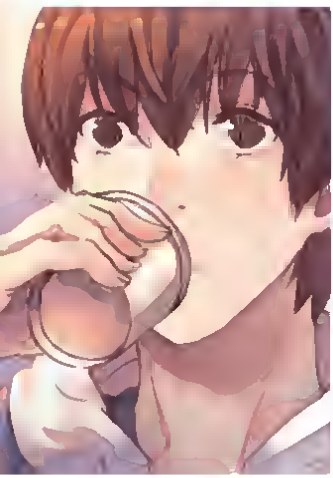
.....

There was a time where bloodshed was storming in the party industry. Yes... As if it was like the eras of political turmoil and warring states.
.....
Ring-



Sigh

Mmm~
I feel stiff.



Mm... We just need to finish a few more questionnaires now. I wonder if Dongmin-ssi is doing well.

Hm... I believe he should be.

Somehow?

Vrrr-
Hm?
Your cellphone's vibrating.
Vrrr-
I think it's yours, sunbae.
Ah, you're right... A call from Jaeseob during this time of the day? That's rare!

Jaeseob...

If my memory serves me right, that's the name of sunbae's old classmate that he was talking about few days ago .

Sip

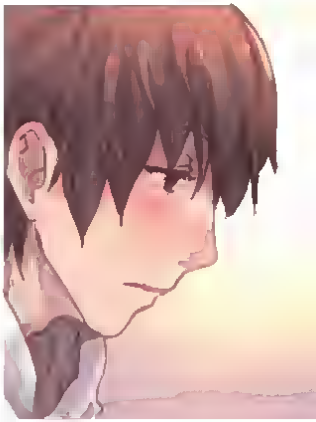
Yeah I'm in the middle of a project

It's been a while since we ate together. Where should I ask him to take me?
A grill house?
A snack bar?
Maybe my tastes are too childish?

Seems I made the right choice to come wearing a skirt.
Hmm~
Guess I'll let Dayeon off the hook for yesterday.

Mhm.
Really?
Yeah, man! I've persuaded Eunseo into attending today's gathering, so make sure you come!
You got to at least show your face often for her to grow fond of you.
I suppose.
Right, my man! So make sure you show up at seven o'clock!
slide

Seven o'clock...



...

Tomboy, let's start wrapping up!

Okay!

By chance, we... And...

Chapter 14

A week has passed since our last group meeting.

The cherry blossoms have faded away,

the weather has become a lot warmer and—

As for me, I have caught a cold.

It's been a week already, but it won't go away.

Sniffle-

And—

Cough-
Cough-
Cough-
Cough-
.....

Morning.
huff-
huff-
A-are you all right?
You were coughing really badly.

Dongmin-subae has caught a cold as well.

My class is this way
Ah, okay...
Ah!
Please wait a moment, sunbae!
?
rustle-
This is a cold medicine that
I'm taking, it's super effective
Please take these and get better soon!

Please make sure you take them!
Please take care then!

.....

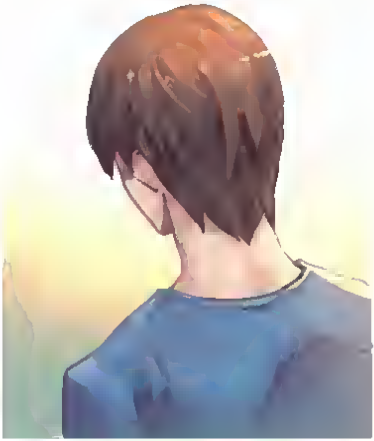
Smile~

I-it was an expensive medicine, but...

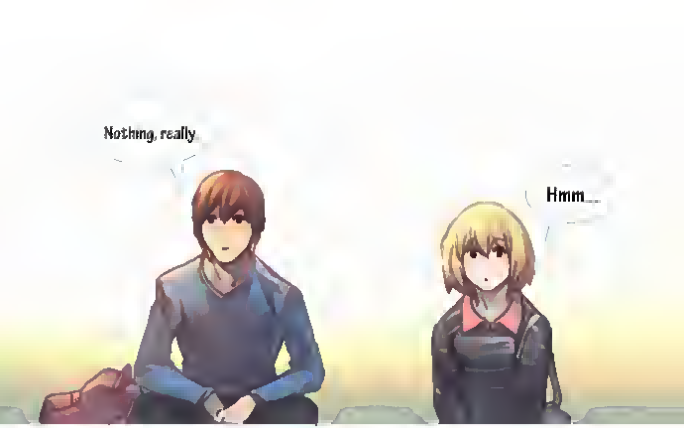
It should be all right with this, right?

cough cough

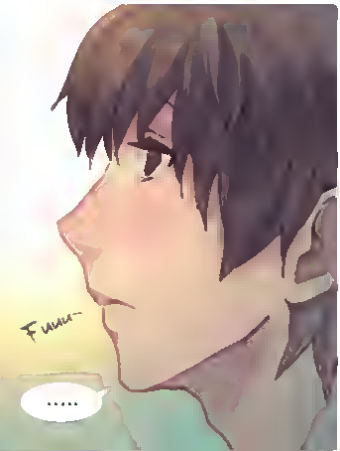
And—



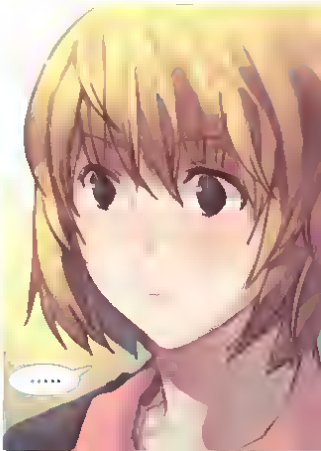
Sunbae, what are you doing here?
Ah–
Tomboy.



Nothing, really
Hmm...



Fuuu~
.....



.....

I don't know why, but Inseong-sunbae has been in low spirits.

Even though I'm the one who should be in low spirits...

Ah... You caught a cold.
The weather's been fluctuating lately. You should be commuting in warmer clothes
...
It seems so.
Well, I have a class starting soon. So, I'll be going now, sunbae.

Though I did not know why,
I felt like I was about cry.

Then I will be seeing you at the next meeting.

Yeah, all right. See you later.

....

.....
rustle
rustle

....
scribble
scribble

pat
tap tap tap...

Those words weren't really directed towards Inseong-sunbae. Rather, they were the words that I wanted to say for myself. "Cheer up."

And like that, the spring of 2004 passed by.

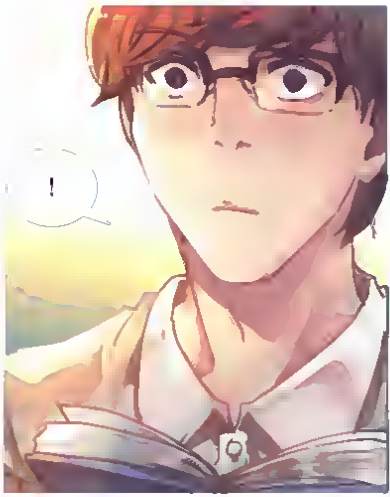
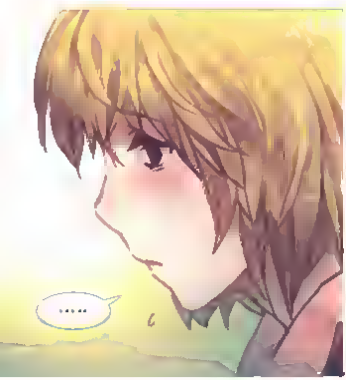
Man... What kind of an assignment is having to look over the whole damn book?
Mmm-



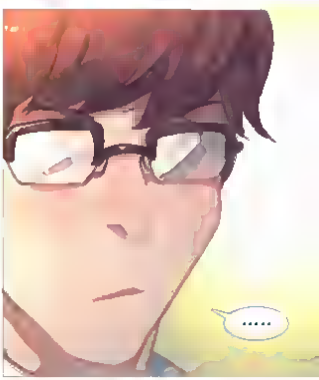
!

Inseong and..
Who?
...?

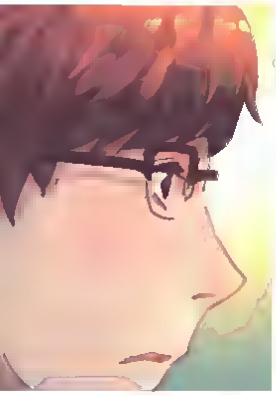
.....
turn-



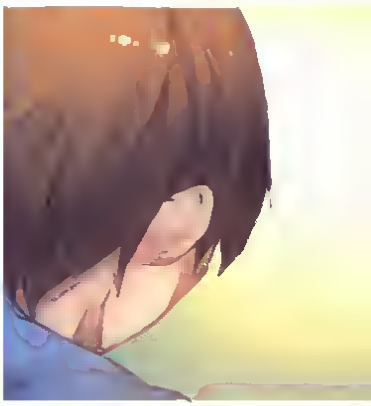
.....



.....

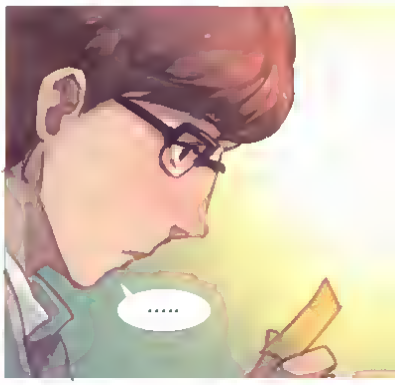


Come to think of it, what's he doing here instead of being in class?

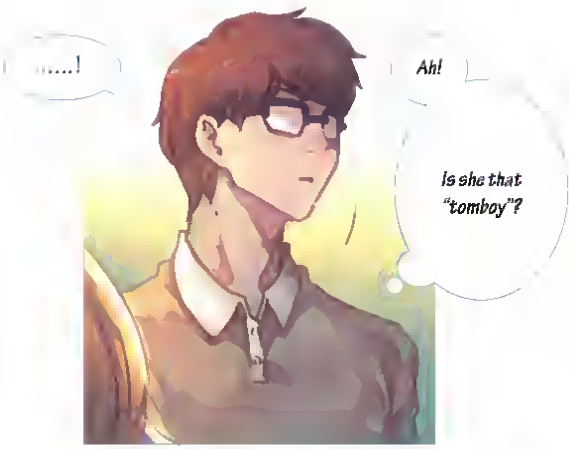


Cheer up...?

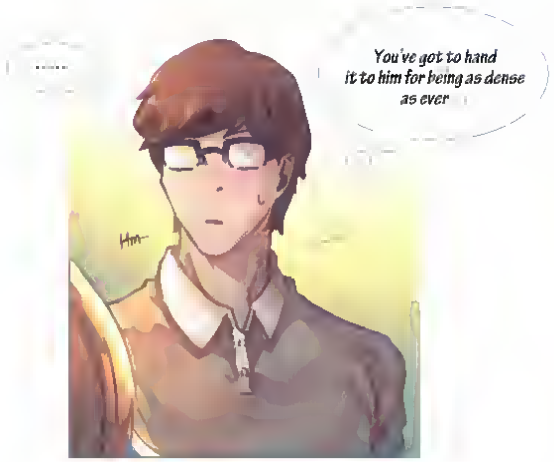
Cheer U



.....



.....!
Ah!
Is she that "tomboy"?



.....
You've got to hand it to him for being as dense as ever
Hm-

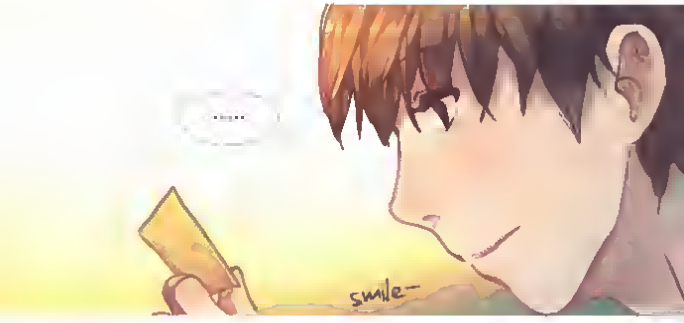
By chance, we... And...

Chapter 65

What're you doing here?
Nothing really
?

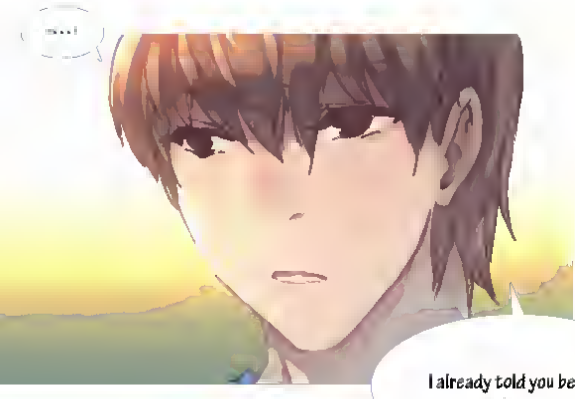
Oh yeah.
?
By any chance, is the "tomboy" kid a cute girl with blonde and jagged hair?

Yeah.
Though I'm not sure about the "cute" part.
You just saw her right?
That girl put this on your back and left

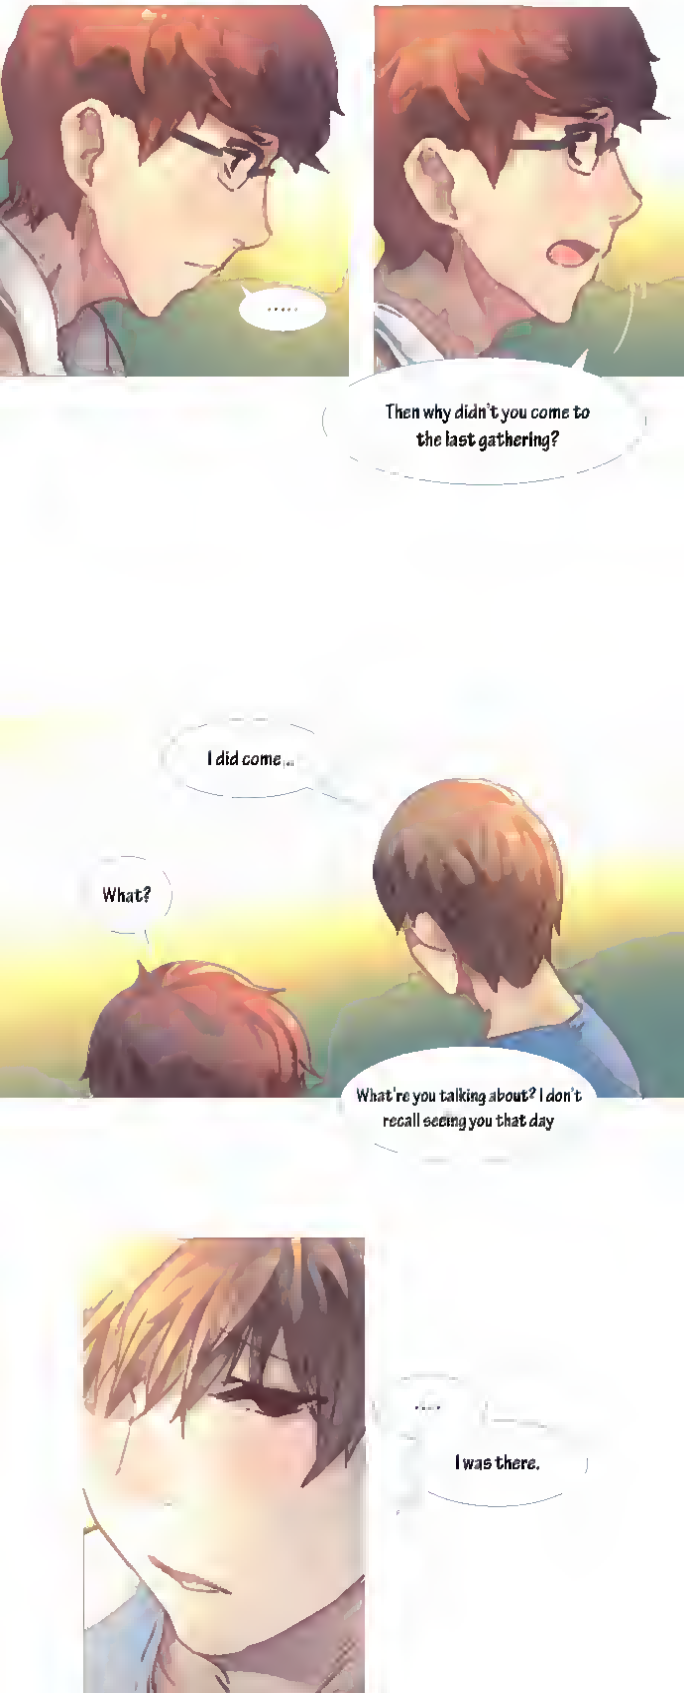


.....
smile~

.....
Although I don't know much, she seemed like a kind girl.
Why don't you go out with her?



.....
I already told you before. I still like Eunseo



.....
Then why didn't you come to the last gathering?
I did come...
What?
What're you talking about? I don't recall seeing you that day
.....
I was there.

I almost soiled my pants after getting all the way here.
Thank goodness the washroom was open
I should get going inside now.
Why? What is it? Something happened?
...!
Jaescob's voice...

Don't play innocent with me You called Inseong again, right?
...!
Yeah.
I already told you before, that I feel uncomfortable
I'm grateful that Inseong likes me, but I have neither the interest
nor the time for romance

.....
I know that you're a good friend. And that Inseong is a nice guy. But as you keep inviting him...
this situation is really uncomfortable for me.
You've got to hand it to her for being so brutally honest.
But Inseong's on his way here. You should at least see—
Sorry.
I will be going now.
....

So you heard.
....

....
....

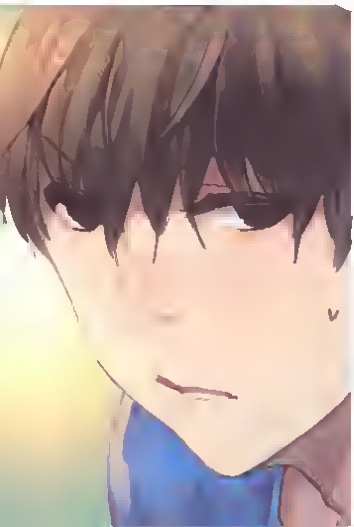
I'm being serious here. What do you really think of tomboy?

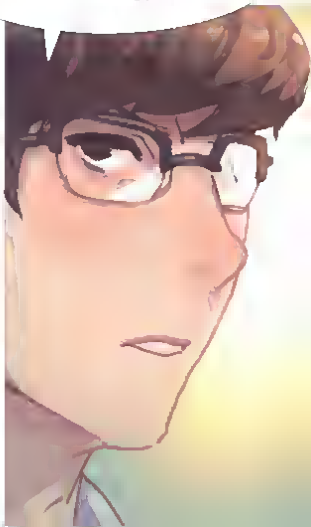
.....

I keep telling you, she's..

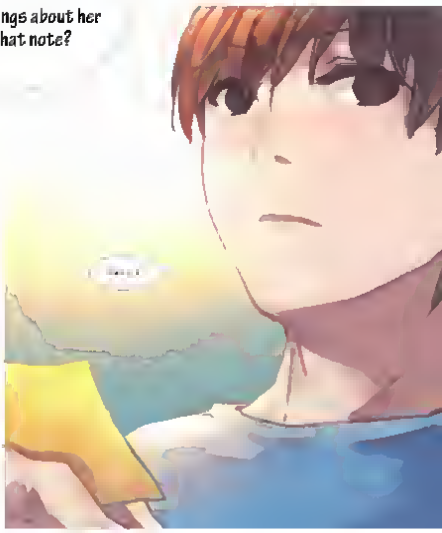
At least!

As I see it... She seems to be way more caring about you than Eunseo, who's avoiding you.





You don't have any feelings about her even after seeing that note?



Anyway, I'm leaving!

That day, a part of my heart felt as cold as ice. However—

At the very least, that post-it back then, felt warm as sunshine.
